

**François Vincent**

***The Painter and His Alter Ego***

From September 26 to December 16, 2007

*François Vincent, the Painter and His Alter Ego* is an exhibit which showcases a selection of artist François Vincent's recent works. Presented by Espace Création Loto-Québec in collaboration with the National Theatre School of Canada (NTS), the exhibition explores at once the creator and the instructor within the artist, who has taught at the NTS for the past 25 years. The exhibition also presents a fascinating encounter between teacher and student: the mise-en-scène was designed by Gabriel Tsampalieros, Vincent's student from 1995 to 1998. Visitors will surely appreciate this original exhibit brought to life under the artistic direction of Louis-Charles Lasnier.
